Acknowledgments iv

Global Cash Flow Analysis

- Chapter One - A Study of England 's 19th Century Panics and Global Repercussions
 - Introduction
 - Crisis of 1815
 - Crisis of 1825
 - Crisis of 1836-1839
 - Crisis of 1847
 - Crisis of 1857
 - Crisis of 1866
 - Crisis of 1873
 - Crisis of 1882
 - Crisis of 1890 and 1893
- Chapter Two - Identifying the Lead or Lagging Market

Fibonacci Confluence Zones

- Chapter Three - A Common Error by Readers of "Fibonacci Analysis"

The Elliott Wave Principle

- Chapter Four - The Elliott Wave Principle: Common Misunderstandings
 - Impulsive Waves
 - Corrective Waves

- Chapter Five - The Composite Index with the Elliott Wave Principle
 - The Composite Index
 - Using the Composite Index to Define Elliott Wave Structure

Problem-Solving Skills – Logic Algorithms and Critical Reasoning

- Chapter Six - Structured Critical Reasoning
- Chapter Seven - Socratic Questioning

Trading Rules and Risk Management

- Chapter Eight - Gann Rules I Regret Breaking, Yet Survived to Tell
 - How to Determine the Correct Leverage and Stop Placement
 - Gann Trading Rules

The 32nd Jewel: Gann Analysis – Part 1

- Chapter Nine - Down the Rabbit Hole
 - Introduction to the Study of Gann Analysis
 - The Egyptian and Mesopotamian Calendar Begins in Taurus: Not Aries
- Chapter Ten - Music Can Be Understood Geometrically
 - Introduction to Music Geometry
 - Harmonics: Intervals, Scales, Meaning of Whole and Halftones
 - Mathematics: The Perfect Fourth and Perfect Fifth
 - Mathematics of Cents and Intervals
 - Addition and Subtraction of Harmonic Ratios
 - Lattice Diagrams: A First Step to Understanding the Law of Vibration
 - The Pythagorean Scale Applied
 - Circle of Fifths and the Gann Square of Nine Wheel
 - Fundamental Frequency and Harmonic Overtones for Cycle Analysis
- Chapter Eleven - Gann Geometry Basics
- Chapter Twelve - Geometric Study of Harmonic Division
 - The Geometry of Proportion
 - Sacred Geometry
 - Euclid Propositions Applied to Markets

- Euclid Proposition: Construct a Square Inscribed Inside the Circle (The *Elements*: Book IV: Proposition 6) – AAPL
- Euclid Proposition: Construct a Square Inscribed Inside the Circle (The *Elements*: Book IV: Proposition 6) EURJPY
- Euclid Proposition: Perpendicular Bisector of the Line Segment AB (The *Elements*: Book IV: Proposition 5) – IBM
- Euclid Proposition: Construct an Angle Bisector for a Given Angle (The *Elements*: Book I: Proposition 9) IBM
- Chapter Thirteen - Other Geometries: The Ellipse, the Helix and Pentagonam
 - The Ellipse and Non-Euclidean Geometry
 - Sine Waves are Angles and Ratios
 - The Helix, Square of 19, and Spiral Charting
 - The Pentagonam
- Chapter Fourteen - The e-Mail read: "Why Don't You Ask Her? Elinor Smith is Still Alive."
- Chapter Fifteen - Gann's Mystery in a Suitcase: The Unpublished Formulae
- Chapter Sixteen - The Law of Vibration
 - Plato's Lambda Tetractys and Harmonic Vibrations
 - The Law of Vibration
- Chapter Seventeen - How Gann Hides the Law of Vibration in *Tunnel Thru the Air*
- Chapter Eighteen - Astronomy and Hermetic Universal Astro-Sciences
 - Introduction: Hermetic or Hellenistic Astrology is not Vedic Astrology
 - Astronomy
 - The Ecliptic
 - The Earth's Precession
 - The Language of Planet Glyphs and Zodiac Signs
 - Latitude and Longitude
 - Declination
 - Solar Day and Sidereal Day
 - The Equinox and Solstice
 - Aspect Angles and Orb Settings
 - S&P500 Cycle Testing: Apogee and Perigee, and Moon Phases
 - Retrograde
 - Testing Retrograde Planetary Motion with Transiting Sun in Crude Oil
 - Retrograde Motion in FOREX Markets

- Chapter Nineteen - The Zodiac and The Fiercely Guarded Secret

The 32nd Jewel: Gann Analysis: Part 2 – Price and Time

- Chapter Twenty - Gann Time Cycles Evaluated
 - Biblical Time is Harmonic
 - Bible Calculations of Time
 - The 90-Year and 45-Year Cycles (1080 and 540 months)
 - The 84-Year Uranus Cycle
 - The 56-Year Cycle
 - Gann's 49-Year Cycle in *Tunnel*
 - The 30-Year Saturn Cycle
 - The 20-Year Perpetual Map of the NYSE
 - The 18.6 Lunar Cycle is Not the 19-Year Metonic Cycle
 - The 13.81-Year Jupiter – Uranus Cycle, and Synodical Cycles
 - Solar 11.2 – 11.5 Year Cycle - Sunspots and Cycles of War
 - Gann Mass Pressure Chart
 - How to Define the Cycle's Cornerstone
 - Loss Motion
- Chapter Twenty-One - Lesson One: Planetary Lines, Averages, Midpoints, More Diagonal Geometry
 - Planetary Lines
 - Planetary Averages
 - Planetary Midpoints
 - More Diagonal Geometry
- Chapter Twenty-Two - Lesson Two: Fan Angles, Angles from Zero, and Balance
 - Fan Angles
 - Angles from Zero
 - Balance
 - Balance is More Than Technical Analysis
- Chapter Twenty-Three - Lesson Three: Angles, Aspects, Trend Duration, and Harmonic Angles
 - "Natural Law", "Natural Time", and "Natural Dates"
 - Planetary Angles
 - Planetary Aspects
 - Steps for Testing an Aspect Culmination

- Time Factor Clusters and Trend Duration
- Squaring the Longitude to Define a Custom Aspect Angle
- How to Make Profits in Commodities – The 1941 Versus 1951 Editions
- Aspects in the 1929 Annual Stock Forecast
- Futures Contract Basis Rollover
- Chapter Twenty-Four - Lesson Four: Trading Solar and Lunar Eclipses
- Chapter Twenty-Five - Lesson Five: Swing Charts
 - Foundation Concepts
 - Global Market Analysis
 - The Italian Stock and Bond Markets
 - German Fundamental Data in Swing Charts
- Chapter Twenty-Six - Lesson Six: Squaring Price and Time
 - Calendar Days Squared
 - Gann Tables
 - Squaring Price and Time
 - Squaring the Range
 - Squaring Time with Extreme Price Lows
 - How to Identify the Price Unit
 - Squaring Time with Extreme Price Highs
 - Price Equals Time²
 - Using Alternate Angles within Squares to Create Parallel Trendlines
 - Overlay Harmonics
- Chapter Twenty-Seven - Lesson Seven: The Mathematics Behind Gann's Coffee Letter
 - Astronomical Calculations
 - Squaring Price and Time
 - Circle of Eight – Averaging Planetary Positions
 - Using a Raphael Ephemeris
 - Aspects to Price
 - Gann's Use of Conjunctions and Oppositions in Tunnel and the Coffee Letter
 - Cotton Notes - Speculation A Profitable Profession; A Course of Instructions on Grains, published 1950, W.D. Gann
- Chapter Twenty-Eight - Lesson Eight: Price to Longitude Applied
 - Price to Longitude Applied
 - S&P500 Intraday Trading

- T-Bonds Intraday Trading
 - Chapter Twenty-Nine - Lesson Nine: Time/Price Charts – The Gann Wheels
 - The Hexagon
 - The Square of Nine
 - How to Put the 30Yr U.S. Treasury Bonds (32nds), into Gann's Square of Nine
 - Creating Square of Nine Confluence Zones in U.S. Treasury Bonds
 - Price Factors in Multiple Global Markets with Square of 9 Confluence Zones on December 6, 2018
 - Wheel Formulae
 - Pythagorean Overlay
 - Gann's 'Dollar Value'
 - Chapter Thirty - Lesson Ten: Master Eggs Course – The Circle and Triangle Calculators
 - Chapter Thirty-One - Lesson Eleven: U.S. 10-Yr Treasury Notes – Computer Modelling Using Astronomical Cycle Formulae
 - Chapter Thirty-Two - Lesson Twelve: A Full 360-Degree Return to England's 19th Century Panics using Gann Analysis with a Forecast of Future Contractions
 - The Moon's North Node
 - A Study of Aspects and the American Business Cycle
 - Chapter Thirty-Three - A Letter to the United Grand Lodge of England on Behalf of Gann
 - "I'm Confident the Curator Will Want to Speak with You..."
